Primary School Inset Days - for TC Club Children

Our term and holiday dates reflect information from Staffordshire's Education Department.

Primary schools generally have about five inset (**IN Service Training**) days throughout the year when they are closed to children. We make an effort to offer holiday club services on those days when we can. As a registered provider of funded early years education, we need to provide a set number of educational sessions during the term. Schools set their own inset days and often they vary from those of their neighbours. Unfortunately it is not possible to provide holiday cover every inset day for every primary school.

Please check with us for up-to-date details.
